Webb's Word of the Week

"We all have dreams. In order to make dreams come into reality, it takes an awful lot of determination, dedication, self-discipline and effort." - Jesse Owens, world record-setting Olympic athlete

It is up to you to make your dreams realities. Take the time to make a plan and work the plan to get to where you want to be.

Dr. R. L. Webb

Turnaround Small Group

Open to students in grades 3-5 who struggle with anxiety and worries. This small group will run for 10 weeks starting January 31st and ending April 4th. This is not a club, per se, but a small group designed to teach students strategies to overcome worries and anxieties. Make sure your child doesn't have another afterschool club on Tuesdays.
